

# How Key Clubs can make the most out of Erika's Lighthouse Resources

You'll need to create an account on the Erika's Lighthouse Resource Portal so that you'll be able to access all resources. Go to [erikaslighthouse.org/portal](http://erikaslighthouse.org/portal) to create your account.

1

## Consider becoming an Affiliate Club of Erika's Lighthouse and join us in creating inclusive school communities.

Your club will have access to over 50 year-round Awareness into Action Activities as well as virtual Meet & Greets with other clubs across the US. Take a look at the [Empowerment Club](#) page & read through [Starting a Club](#) guidebook. Contact Derick ([derick@erikaslighthouse.org](mailto:derick@erikaslighthouse.org)) with questions.

2

## Host a fundraising event at your school.

You can bring your school together to raise awareness and funds with a fun event! If you're interested in hosting your own event, visit our [Student Fundraising Center](#) for great ideas and instructions for a bake sale, penny wars, a Beacon of Hope Walk and more! For more event assistance contact Meade ([meade@erikaslighthouse.org](mailto:meade@erikaslighthouse.org)).

3

## Join Us in Promoting Good Mental Health

Join the movement for good mental health with our two partnership campaigns! Our Positivity Pledge during Mental Health Awareness Month in May. As well as our Give Voice campaign during Suicide Prevention Week in September! Both these campaigns can be found in the [Resource Portal](#)!
